

Language is the key to Your future!

Learn **Swedish or Finnish** in our language courses. We offer **day- and evening courses** at different levels for longer or shorter periods of time.

If you have an integration plan at the TE-office, or if you want to study languages during the day, we offer a full time **integrational education**.

The studies include:

- language studies
- learning about Finnish society and work life in Finland
- on the job training
- individual guidance

Start

The integrational education starts in August and ends in June, but it is also possible to enrol at other times during the academic year.

Fee

If you have an integration plan at the TE-office you don't have to pay the fee and lunch is included. If you don't have an integration plan it is possible to apply for a reduced fee. For more information about this please contact the school.

Accommodation

If you need accommodation the school dormitory is an economical option.

Application

You can apply for our courses by filling out the application form at www.kredu.fi or by contacting the school at 06-7889400/ info@kredu.fi in Swedish, Finnish or English.

Please contact the TE-office before you start the integrational education.
